In addition to the above, we have a fine assortment of Evergreens and Flowering Shrubs which we are unable to ship because of the shortage of packing materials and labor. We have found that a most satisfactory way is to visit the nursery and personally select the items of your choice. A visit to the nursery with friends and neighbors is a pleasant experience.

We shall be glad to have you at any time. We do not do business on Sunday.

OUR GUARANTEE

We guarantee that our plants reach you in good condition. If they are not satisfactory upon arrival we shall be glad to refund their purchase price immediately if you will send them back to us. We cannot, however, guarantee them to grow since it is impossible for us to supervise their care.
